Share Kids Count Too. Earn UP TO $200!

Anyone in our community can refer! Give a flyer to a family looking for childcare. When their child enrolls full time, **you both get paid in cash.**

YOU GET UP TO

$200 CASH

paid in two parts

$100	→	$100
at enrollment		after month 1

YOUR FRIEND GETS UP TO

$500 CASH

paid in three parts

$100	→	$100	→	$300
at enrollment		after month 2		Holiday Cash

How it works

1. **Your name and code appear on each flyer**
   No code yet? Just call us or ask the front office.
2. **Hand a flyer to a family**
   Friends, neighbors, coworkers, employees, customers, church or community members: anyone looking for childcare.
3. **They tour and enroll full time**
   At The Colony or Lewisville. They choose the location near them and give your code at the tour.
4. **You both get cash**
   Cash is paid on the schedule above: to you and to the family you referred.

✓ New to Kids Count Too ✓ Full-time only (no part-time) ✓ Paid in cash ✓ Refer to either location ✓ No limit on referrals

Two great locations. Families choose the one near them.

Thank you for helping our Kids Count Too family grow!

Offer details: Anyone in the community can refer: friends, neighbors, local businesses, employers, church and community members. The family you refer must be new to Kids Count Too. Full time only (Monday through Friday). Part-time does not count. Your referral code or your name must be given at the tour or at enrollment. You get up to $200 cash: $100 when the child enrolls, and $100 after the child finishes the first month. On each payout date, the child must still be enrolled and tuition must be paid up. Rewards are paid in cash and can't be passed on to anyone else. They may be taxable. The new family gets up to $500 cash per child: $100 at enrollment and first tuition payment, $100 at the end of month 2, and $300 Holiday Cash at the next major holiday after 3 months of full-time enrollment. Our major holidays are about two to three months apart. Amounts are based on full-time tuition of $300 a week. Lower tuition gets a matching (prorated) share. Example: after-school care is about $125 a week. That is about 42% of $300, so each reward is about 42% of the full amount. Kids Count Too may change or end the program at any time. Full details are at the front office.
