Offer details: This offer is for new Kids Count Too families only. It applies to full-time enrollment only (Monday through Friday), and part-time enrollment does not count. Give the referral code or the name of the person or business who referred you at your tour or when you enroll. You get up to $500 cash per child: $100 when you enroll and pay your first tuition, $100 at the end of month 2, and $300 Holiday Cash at the next major holiday after 3 months of full-time enrollment. Our major holidays are about two to three months apart. Amounts are based on full-time tuition of $300 a week. Lower tuition, like after-school care at about $125 a week, gets a smaller, matching (prorated) amount. On each payout date, your child must still be enrolled and your tuition must be paid up. The person or business who shared this flyer may also get a cash reward. Kids Count Too may change or end the program at any time. Full details are at the front office.
